PROPERTY OF U.S. DEFENCE

The US Department of Defense is required (with limited exceptions) under the Berry Amendment to procure only footwear produced in the United States using American-made materials and components. All Rocky Berry Compliant products are manufactured in the US using only American-made materials and components.

General Service Admissions Contract #gs07f9963h

The boots bearing the 670-1 symbol meet the uniform standards of Army Regulation and Department of the Army Pamphlet 670-1. Boots in compliance with AR/DA PAM 670-1 are approved for wear with the OCP, ACU and UCP ACU uniforms.

As per Memorandum dated 18 Dec 17, specific Rocky boot styles are now Safe to Fly.
